team

downtown to
hills & beyond

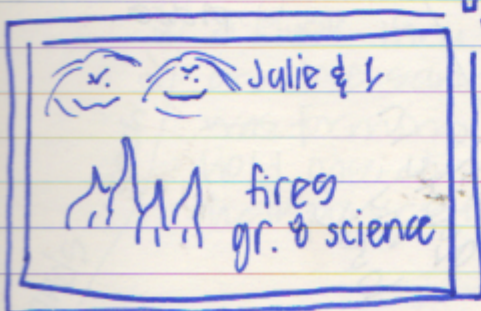

walk +
coffee

respite - thinking
when home

yikes... the very
spot!

Cynthia & I
on bikes
looking for
trouble

Julie & I

fires
gr. 8 science

epic failure: 6 double-faults in the match & lost - whole team lost -
my coach's punishment - but mine as well -

what belongs?

what is at the center to collect
these moments together?

what to write first?

The storyboard deepens my thinking -
opens up possibility more than it
gives me a plan or outline.
